IMPORTANT INFORMATION

Registration:

Please send us the completed and signed registration in good time using the enclosed form. As the number of participants is limited, registrations are accepted in the order of receipt. You will receive a registration confirmation upon receipt. This confirms the reservation of a place for the participant(s).

Cancellation:

A cancellation must be made in writing and incurs no costs up to 6 weeks prior to commencement of the training course. If a cancellation is made 2 to 6 weeks before the course, we charge a registration fee of EUR 75.00 plus VAT per participant. Should a cancellation be received later than 14 calendar days prior to commencement of the training course, 50% of the course fee will be invoiced. In the case of a short-term cancellation within 1 week prior to commencement of the course or a nonappearance, the full course fee will be charged. If a person is named to replace a registered participant, no additional fees will be charged.

Cancellation on the part of Uhlmann:

Uhlmann Pac-Systeme GmbH & Co. KG reserves the right to cancel a training course on the grounds of too few participants or other significant reasons (e.g. illness of the instructor, force majeure). Liability and damage claims are excluded. (Please take this into account when booking plane or train tickets and hotel accommodation).

Course fee:

The course fee is listed in the relevant PDF file and is to be paid upon receipt of the invoice. Payment of the course fee is subject to the general terms and conditions of sale and business of Uhlmann Pac-Systeme GmbH & Co. KG. As our training courses are open events, corporate discounts cannot be taken into account.

Services included:

The price includes implementation of the training course, training documents, lunch, snacks during breaks, and drinks.

Liability:

The sequence of the training course is set out in the respective program. However, we reserve the right to make minor modifications to the content or breakdown of the training subject without altering its overall character.

Training duration:

The training course commences at 8:30 am and ends at 4:30 pm. Any alterations will be stated in the respective course description received upon confirmation of your registration. Please make your own traveling arrangements.

Safety regulations:

All training course participants are obliged to adhere to the safety and accident prevention regulations that apply at the Uhlmann premises.
