Facts and figures

Laupheim, July 02, 2021

UHLMANN GROUP

The Uhlmann Group is a specialist in the development and provision of solutions for the safety and integrity of sensitive products. With a focus on the digitalization of production and packaging processes, the group offers innovative solutions, services and technological expertise in a multitude of market segments extending far beyond packaging alone. The Uhlmann Group was founded in 2019 in order to further strategically develop the companies of the group specializing in pharmaceutical packaging solutions together, and design them to be future-proof.

It is certified according to ISO 9001:2015.
